

RAINBOW STATION ACCESS AND KEY

In accepting a key for access, and by signing this document, I hereby acknowledge and accept the following:-

“Rainbow Station, including its farmland and private formed roads and tracks, is leased from the Crown by Rainbow Station Farms Ltd. It is not a public area and any use is a revocable privilege granted by the Leaseholder. The formed roads and tracks have not been engineered, nor are they maintained to meet the standards for public access. Parts of it are hazardous. The hazards are not individually signposted or marked. Sudden weather changes can cause additional adverse conditions and/or additional hazards. The Leaseholder consents to access by the public only on the basis that each person travels at his/her own risk, accepts full responsibility for his/her own safety, and accepts that the Leaseholder has no liability or responsibility of any sort for any injury, damage or accident to any person or property that enter Rainbow Station farmland and its surrounds, or when traversing the private formed tracks and/or roads. There is no cell phone coverage and breakdown services may not operate in the private area. Drivers also need to be self-sufficient and prepared for sudden changes in weather. You drive at your own risk. Please leave gates as you find them, and respect stock, property and other users.”

I also hereby acknowledge and declare that I am not seeking access for a commercially guided fishing, tramping, and 4WD or hunting trip.
